Dear Ms. Clemons and Mr. Sukys:

With this letter, the California Department of Transportation (Caltrans) transmits Amendment No. 6 to the Rural non-Metropolitan Planning Organization (MPO) area portion of the California 2017 Federal Statewide Transportation Improvement Program (FSTIP). This amendment modifies the scope of an existing project and modifies the funding of various grouped project listings totaling \$48.7 million. The programming changes to the local and state transportation systems are:

Calaveras County

Proj #1: CTIPS ID 230-0000-0362, SR-49 Mountain Ranch Road Intersection, Roadway and Government Center Bike and Pedestrian Improvements – modifies the scope adding sidewalks and a crosswalk with flashing beacons to the existing project description and program additional \$406,000 of Congestion Mitigation and Air Quality Improvement Program funds for preliminary engineering and construction.

Various Counties

Proj #2: CTIPS ID 230-0000-0029, Grouped Project Listing for Emergency Repair - State Highway Operation and Protection Program (SHOPP) Emergency Response Program – increases the total funding by \$35.1 million in various fiscal years and revises the detailed backup listing of projects.

Proj #3: CTIPS ID 230-0000-0065, Grouped Projects for Bridge Rehabilitation and Reconstruction – SHOPP Bridge Program - increases the total funding by \$13.2 million in FY 17/18 and revises the detailed backup listing of projects.

Documentation associated with this amendment include summary of changes, project documentation, and updated financial summary. This amendment was posted for public review and comment for fourteen (14) days that commenced on March 24 through April 7, 2017 as required by FSTIP public participation plan. No comments were received during the public

Projects in this amendment with funding beyond the four-year cycle of the current FSTIP are included for information only. These projects are included and submitted by Caltrans through the California Transportation Improvement Program System (CTIPS). In addition to being available in CTIPS, programming pages for each project are also included as part of *Attachment 1, Summary of Changes and Project Details*. The financial impact of this amendment is compatible with the anticipated revenues in the 2017 FSTIP Financial Plan and remains financially constrained as demonstrated in *Attachment 2, Financial Summary Tables*.

Based upon correspondence from the Federal Highway Administration FHWA dated May 27, 2008, projects in non-metropolitan isolated non-attainment areas of the State do not need to meet project conformity to be included in the FSTIP. However, such projects must comply with project level conformity requirements when a Federal action such as a National Environmental Protection Agency decision or obligation of funds, is taken on the project.

Pursuant to the authority delegated to me by the Director of Caltrans, I approve this FSTIP Amendment No. 6 for inclusion into California's 2017 FSTIP. I am also recommending that the FHWA and the Federal Transit Administration (FTA) approve this amendment. Please note that the approval of this amendment does not constitute an eligibility determination of projects for federal funding.

If you have any questions or concerns regarding this amendment, please contact Lilibeth Green at (916) 654-3521 or Lilibeth.Green@dot.ca.gov.

Sincerely,

BRUCE DE TERRA
Chief
Division of Transportation Programming
